YOUR FAMILY IN THIS TIME
OF MANUFACTURED CRISIS

What YOU CAN DO

TO HELP SPREAD THE WORD...

Firstly and most importantly is don't panic, don't react, prepare yourself calmly with the right information and with the right attitude to let others know that this plan to take away your rights and freedoms has been very carefully orchestrated using the media and using fear to control what you think and feel. Know that you are not alone. Many millions of people are already aware of these agendas and are alerting others. The more people that awaken to this global strategy means less power they have to control your life and the lives of our future generations. Rioting, protesting and reacting in a negative way is what they want and are hoping for.

Educating yourself and others disempowers the state controlled propaganda and is something the powers that be truly fear. An educated population is one that is very hard to coerce and control. Using fear has always been the primary way to convince people to give up their rights. Spreading this information to as many people as possible right now is imperative to maintaining your physical and mental health and is essential to restoring our society and community back to where truth reigns over propaganda and lies.

KNOW YOUR BASIC HUMAN RIGHTS

On Earth as a human, you are protected with inherent Human Rights under the United Nations Human Rights Legislations that all signatory countries are bound to adhere to, towards their respective citizens. The Aussie Govt. like other nations Governments and their respective state Police Forces are legally duty bound to ensure that their citizens are treated with humanity and respect for their inherent human dignity.

The following are a few of your basic Human Rights that you are entitled to as a Human Being on Earth:

Article 3.

Everyone has the right to life, liberty and security of person.

Article 5.

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 9.

No one shall be subjected to arbitrary arrest, detention or exile.

Article 12.

No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 13.

(1) Everyone has the right to freedom of movement and residence within the borders of each state.

(2) Everyone has the right to leave any country, including his own, and to return to his country.

If you are in doubt about self-isolation know that no law can breach these above Basic Rights that you are entitled to. Carry this pamphlet at all times and if you feel an Officer is breaching these rights, let them know they are exercising Criminal Conduct which is illegal. Most importantly KNOW that: Under Article 11: **YOU ARE INNOCENT OF ANY CHARGE OR FINE AND SHOULD BE TREATED AS SUCH UNTIL PROVEN GUILTY IN A COURT OF LAW.**
